VINYL WINDOWS AND DOORS

*North Star Lifetime Transferable Warranty!*

### LOW-E & ARGON GAS

Standard in every North Star Window, Low-E and argon gas glass minimizes heat loss in winter and heat gain in the summer.

### SUPER SPACER

Every North Star Window utilizes Super Spacer warm edge technology that increases insulation values up to 30%.

### FRAME & HARDWARE

Lifetime hardware and fusion welded frames insure years of worry free use.

### EASY CLEANING

Activ Self Cleaning glass makes cleaning the outside of your windows as simple as watching the rain.

**NEW!**

### EZ-SCREEN\*

North Star's innovative new EZ-Screen\* features a completely hidden retention system and smooth edges that won't snag on draperies. Best of all, it makes removing the screen incredibly easy - just push-down and pull-out!

\*Screens are not meant to restrain a child from falling through an open window.
